Business of the House.

Sri A. G. RAMACHANDRA RAO (Minister for Law and Education).—Regarding the future work of this House, I wish to make this statement. Many members of the House are anxious to know the future programme of work for this session to enable them to adjust their engagements. I would propose for consideration that the following programme might be adopted :—

Wednesday, 8th April 1953 (that is, to-day) : Non-official Bills and Resolutions (continued from the 7th).

Thursday, 9th April 1953—Official Business Bills.

Friday, 10th April 1953 and Saturday, 11th April 1953—Debate on the Report of the Committee on Educational Reforms.

The Assembly might adjourn on the 11th April. If any of the Bills remain over for consideration on the 9th April, they may be taken up for consideration when the Assembly meets again.

On the 6th April, I placed on the table of the House a copy of the statement made by the Prime Minister on the formation of the new Andhra State. It has been proposed therein that six taluks of Bellary District should be added on to Mysore. The Government of India have also indicated that a decision regarding the future of Bellary Taluk will be taken during this month. Government are anxious to have the views of this House on this important question. I therefore propose that the Assembly might meet on Monday the 15th June 1953 to consider this question and any other business remaining over for consideration.

Mr. SPEAKER.—Now the Bills.

ಶ್ರೀ ಜಿ. ಎ. ತಿಮ್ಮಪ್ಪಗೌಡ (ಅರಕಲಗೂಡು).—ಪಬ್ಲಿಕ್ ಸರ್ವಿಸ್ ಕಮೀಷನ್ನಿನ ರೂಲ್ಸನ್ನು ತಾವು ಸಭೆಯು ಮುಂದಿಟ್ಟಿದ್ದೀರಲ್ಲ ಅದನ್ನು ಯಾವಾಗ ಚರ್ಚೆಗೆ ತೆಗೆದುಕೊಳ್ಳುತ್ತೀರಿ?

Mr. SPEAKER.—That will come up when the Assembly meets on the 15th onwards.

NON-OFFICIAL BILL.

Mysore Alienated Villages Protection of Tenants and Miscellaneous Provisions) (Amendment) Bill, 1953.

ಶ್ರೀ ಜಿ. ಎ. ತಿಮ್ಮಪ್ಪಗೌಡ.—ಈ ತಿದ್ದುಪಡಿ ಮಸೂದಾ ಕಾನೂನನ್ನು ದಯವಿಟ್ಟು ನಾಳೆಯ ದಿವಸ ತೆಗೆದುಕೊಳ್ಳುವುದಕ್ಕೆ ಅವಕಾಶ ಕೊಡಬೇಕೆಂದು ನಾನು ಪ್ರಾರ್ಥಿಸುತ್ತೇನೆ.

Mr. SPEAKER.—You are not inclined to move? Tomorrow is set apart for Government Business, I think. We will see day after tomorrow.

Mysore House Rent and Accommodation Control (Amendment) Bill, 1953.

Sri R. ANANTARAMAN (Chamarajpet).—I brought the private bill with a view to see that some relief is given to the tenants from the clutches of the landlords who want to evict these tenants and in order to see that *bona fide* tenants are permitted to pay in easy instalments whenever valid tenders are made and the valid tenders are refused by the landlords. In view of the fact that the House Rent (Amendment) Bill has been brought on the anvil of the Legislature, I do not want to press my Bill. With your permission, I will not move it.

Mr. SPEAKER.—Yes.

Business of the House.

Sri J. MOHAMED IMAM (Jagalur).—The Government have announced the programme of work. May I make one or two suggestions for the consideration of the Government? 8th April: Non-official Bills, and non-official resolution; 9th April: Official Bills; 10th and 11th April: Educational Reforms. To-day Non-official Bills are taken up.

Mr. SPEAKER.—The Non-official Bills are disposed of in the sense that in respect of one Bill, the Hon'ble Member is not introducing it at all and as regards the other Non-official Bill, the member concerned wants a little more time. That we will consider day after tomorrow.

Sri J. MOHAMED IMAM.—So far as the debate on the Educational Reforms is concerned, it is tentatively proposed to have it on the 10th and 11th April. Anyhow we are meeting on the 15th of June and if there is no hurry, I would suggest that discussion on the Report of the Committee on Educational Reforms may be taken up on the 15th June, because we are allowed only two days to discuss the report. I am afraid two days may not suffice; I understand even in the Upper House they took nearly three days. Perhaps for official Bills we may have one day more. To-day we may devote entirely for non-official Business and 9th and 10th we may take up Bills and then adjourn on the 10th and meet again on the 15th June 1953. Discussion of the Report of the Committee on Educational Reforms may be taken up in the month of June in the adjourned session. That is my submission to the Government. I think they may consider it. Most of us have not studied the big book. It is voluminous. We want to study it along with other reports.

Mr. SPEAKER.—That is a matter for the House to decide.

Sri A. G. RAMACHANDRA RAO.—An earlier discussion on the Report on Educational Reforms would enable us to implement the scheme as much as possible. Otherwise, the whole thing will get postponed. From that point of view we fixed it for two days. I leave it to the House.
